Oxford Center School's Summer Challenge 2019

Dear Parents/Guardians,

Did you know that most students lose about two months of grade level equivalency skills during summer break, a phenomenon known as the "summer slide"? It's easy to combat the "summer slide" and keep your child's academic skills sharp by spending just 10-15 minutes a day working on the OCS Summer Challenge.

For our challenge this summer students are encouraged to choose one or a combination of any of the following: the Governor's Reading Challenge or Quantile Math. Have your child track their minutes each day using the attached calendar. **Remember, at the beginning of the school year they will need to return their calendar & tracking sheet to their classroom teacher to be eligible for prizes!**

The Challenge: Choose one or better yet, work on both!

Governor's Reading

Quantile Math

The Minimum Challenge:
GRADE 2 to 3: Complete a total of 400 MINUTES

*Students who meet the minimum challenge will receive an exclusive invite to the OCS Dance Party in the fall!
Date TBD.

The top 3 students in each grade level who have the *most minutes total* will receive a ticket to:
Quassy Amusement Park

To access Quantile Math:

- Go to quantiles.com/summer-math to enroll your child.
- Visit quantiles.com/summer-math every day to read about the weekly math concept and earn badges
- The program ends on July 26th. Make flash cards and continue to practice your math facts every day to earn more minutes!!

Have a wonderful summer break!

Oxford Center School's Summer Challenge Tracker 2019

Student Name: _____

Teacher: _____

Please turn this form into your classroom teacher during the first week of the 2019-2020 school year.

JUNE	JULY	AUGUST
